- The plows are called out when an accumulation of 3 inches or more has fallen, they are not sent out until snowfall has stopped or snowfall is more than 6 inches.
- The Township is not responsible for: Snow thrown in driveways, repair or replacement of mailboxes, fences, etc., damage by thrown snow or equipment hitting the above objects that are not properly located or installed, or **damage to any type of landscaping done within the Right-of-Way** (Township Right-of-Way is 33 feet from the centerline of the road).
- Per MN Statute 160.2715, it is unlawful to push or plow snow into or across any public road. When clearing snow from your driveways, snow must be directed onto your own property. Exercise caution when following or approaching plow trucks. Snowplows are not as maneuverable as smaller vehicles. If you know someone is plowing snow across the road, call the County Sheriff's department at 763-765-3500 or 911. Violators will be cited. Snow piles left on or near the side of the road create a hazard to all vehicles including plow equipment.
- **Please do not place garbage receptacles in the road. Receptacles can be reached up to 6 feet off pavement.**
- The Township will not be responsible for damage to any underground lawn sprinklers located within the road right-of-way (33 feet from the center of the road). Residents will be responsible to protect such systems from damage or relocate the sprinkler heads outside of the right-of-way.
- Any motor vehicle left on any right of way in the Township that impedes the performance of the Township snowplow efforts shall be dealt with under the provisions of Parking Ordinance.
- All Township roads will be limited to 5 ton axle weight when road restrictions are put in place by MNDOT. Truck operators are urged to call MNDOT 1-800-723-6543 for road postings.

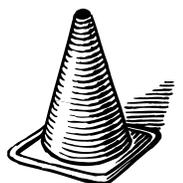

Thank you for following these rules so that our plow drivers can keep our roads clear of snow.
