

LIVONIA/ORROCK TOWNSHIP JOINT MEETING  
HELD AT THE LIVONIA TOWNSHIP HALL  
JULY 7, 2014

Livonia Chairman Hewitt called the Joint Meeting regarding adjoining roads to order at 7:00 pm. The Assembly Recited the Pledge of Allegiance and introductions were made.

Livonia Supervisors Present: Doeblar, Hass, Hewitt, Manthei, & Sherper

Orrock Supervisors Present: Eisinger, Meier, Gotzian, Berg, & Peterson

Livonia Staff Present: Clerk/Treasurer Olson, Deputy Clerk/Treasurer Hammre, Maintenance Coordinator Berghuis

Orrock Staff Present: Clerk Kimberly-Maas

Hewitt invited Eisinger to lead discussion. He stated that 273<sup>rd</sup> Ave, a ¼ mile of gravel road east of County Road 1, will go through the formal vacation process. There are no driveways off this portion and the surrounding properties have other access. This road has become a garbage dumping area.

Discussion then moved to 255<sup>th</sup> Ave, a ¼ mile of bituminous road east of County Road 1. This road does not have any Orrock residents that access off of it at this point. The road is an entrance/exit into developments within Livonia Township. This is also not the only access, but it is used by the surrounding residents and emergency services.

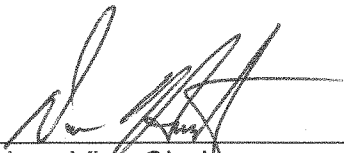

Discussion then moved to swapping of maintenance on roads and having an agreement. Hass asked for our Engineer to give an opinion on the condition of 255<sup>th</sup> Ave. Moved by Hass, seconded by Sherper to have Attorney draft road agreement for maintenance of roads to include:

Orrock Township to snow plow the gravel portion of 142<sup>nd</sup> St and 233<sup>rd</sup> Ave that would lead into their development area off of County Road 32. Livonia Township to maintain the portion of 255<sup>th</sup> Ave that would lead into their development area off of County Road 1. Maintenance would include snow plowing, crack repair, pothole patching. Language that the agreement is subject to change when/if development or housing would be added to 255<sup>th</sup> Ave. If Livonia Township decides to repave the road in the future, Orrock would pay Livonia for the remaining life of the road costs if development or housing is added at a future date. Motion carried with all in favor.

Moved by Meier, seconded by Gotzian to adjourn the meeting at 7:31 pm on behalf of Orrock Township. Motion carried with all in favor.

Moved by Manthei, seconded by Doeblar to adjourn the meeting at 7:31 pm on behalf of Livonia Township. Motion carried with all in favor.

Approved this 28<sup>th</sup> day of July, 2014.
