

JULY 24, 2017 LIVONIA PARK BOARD MEETING MINUTES

Park Board Members Attending: Jody Hammre, Lila Spencer, Gary Doebler

Others: Butch Haas

Meeting called to order at 6:05 pm

1. Approve May meeting minutes
2. Zimmerman Park Board update: Jan was not in attendance.
3. Donovan property – encroachment into the Sugarbush: Jody and Kevin inspected the lot line and determined that there are no encroachment issues. The lines on the GIS map are not perfectly accurate.
4. Sugarbush updates / driveway and parking lot construction status: Butch met with Jody, Kellie and Mark at the park. Driveway will be staked on the east side of the drive; Mark will scrape the driveway and parking lot and fill in the ditch.
5. Update on the 34 acre annexation for the fire department: the orderly annexation agreement does not require Zim or the fire district to pay park fees. There is a 100 ft. easement on County Road 4.
6. Grams Park/GNT updates: Jody attended the County Parks and Trails/Healthy Lifestyle meeting. The County has most of the ROW between Zim and Princeton for extending the GNT. The GNT is classified a regional trail. The boardwalk construction in Grams Park to be put on hold.
7. Karen Sherper-Rohs is getting the park benches and little libraries on order. There is a six-week lead time.
8. The trail in the new park section could start off as just a mowed trail and improve it later. Butch asked if a percentage of the Township's skid steer could be covered by the parks and trails budget. It is assumed that the skid steer would be used for trail maintenance.
9. Meeting adjourned at 6:40
10. Next meeting: September 25, 2017, 6:00PM

Approved November 27, 2017
