

LIVONIA TOWNSHIP WORKSHOP MEETING MINUTES

MARCH 5, 2018

Supervisors present: Hass, Hiller, Maloney & Pool

The purpose of this meeting was to discuss employee compensation.

Chairman Hass called the meeting to order at 8:45 am.

The discussion opened with the comparison of current Livonia Township staff compensation with neighboring Townships and the City of Zimmerman staff compensation. Also discussed were the responsibilities of the various jobs for Township and City staff. Compensation for maintenance staff was then discussed, including plow drivers and Cemetery maintenance.

The discussion then moved to the possibility of implementing a step system for compensation and the number of tiers that would be needed for Livonia Township. The step system would include COLA and a per year increase. Hass offered to prepare a spreadsheet showing the tiers and scheduled raises for all employees as discussed. The finalized step system would be reviewed and approved at a later date.

Hass adjourned the meeting 9:35 am.

Approved this 26th day of March, 2018.
