

Workshop Meeting of the Livonia Town Board
Held at the Livonia Town Hall
Friday, April 5, 2019

Supervisors present: Hass, Hiller, Maloney, Pool, Kuker

Staff present: Clerk/Treasurer Hammre,

The Workshop Meeting came to order at 9:08 am. for the purpose of discussing: Township Social Media; Office Hours; Clean Up Day; New Zimmerman/Livonia Fire Station; Parks; Joint Community Meeting.

Maloney and Hiller, Technology Committee will be authorized as Admin along with Hammre on the Township Facebook page. The Committee will meet with office staff 6 times per year.

Hours of Operation for the Town Hall were discussed.

Clean Up Day tally sheets were reviewed with changes to track City of Zimmerman participants and to request email addresses of Livonia residents for notification of events and the newsletter.

The new Zimmerman/Livonia Fire Station was discussed. Items of discussion included potential partnership in the building with the DNR station, building requirements the DNR must follow and other site plan possibilities.

Livonia Parks were discussed including new interest in the Park Board. Hiller reviewed the process of application and acceptance of Park Board members. the openings will be posted on the Facebook page and the Township Website. Maintenance will be instructed to begin working on the Sugarbush Park parking lot and trails at North Point Park and Sugarbush Park. The dock at North Point Park should be installed in time for opening fishing. Pricing needs to be obtained for picnic tables and benches.

In the interest of time, an additional workshop meeting was scheduled for Friday, April 12th at 10:00 am.

Meeting adjourned at 11:06 am.

Dated this 20th day of May 2019
